

School Support Scheme (SSS) (Progress through partnership)

The Right to Education and Rastriya Madhyamika Sikshya Abhiyan (RMSA) have been launched to achieve good quality education. Improving school education is a joint responsible of the Government and Citizens.

School Support Scheme has been formulated by Government to achieve the above goals with the help of Community participation and individual support basing on the concept of progress through partnership.

There is abundant scope for a variety of contributors, viz. corporate houses, elected representatives, academic institutions, voluntary organizations, banks, media groups, PSUs, industrial establishments and other interested individuals or groups.

Support may be in the form of provision of safe drinking water, toilet facilities, computers, furniture, library books, etc. for children, providing aids & appliances for children with special needs, construction / renovation of schools, developing playground, etc.

Contributions will be made in kind and not in cash.

For more details please refer to Resolution No. 17230 dated 27.09.10 on our website.
