National Tech Excellence Award for Women 2022

INTRODUCTION

I. Core Objective of this Award

To recognize outstanding contribution of women scientist / entrepreneurs in commercializing innovative indigenous technologies, Technology Development Board is launching the National Tech Excellence Award under the following two categories :

A: National Women Scientist Award for Excellence in Translational Research

B: National Women Entrepreneurs Awards

Both the awards will be presented in two distinct categories:

(1) Senior (45 yrs and above)

(2) Young (Below 45 years).

While constituting the awards, the process would inter-alia encompass the various steps as given below:-

- Identify the stalwarts who have made a niche for themselves
- Acknowledge their initiatives & hard work through the innovative products they have developed and establishments they have created
- Applaud the very fact that they have succeeded and survived all odds
- Celebrate their success and let their stories be encouragement for millions.

II. AWARD CATEGORIES:

Name	Categories	Award
National Women Scientist Award for excellence in Translational Research	Senior	Rs.3.00 lakhs
	Young	Rs 1.00 Lakhs
National Women Entrepreneur Award	Senior	Rs. 3.00 lakhs
	Young	Rs 1.00 Lakhs

Two awards each for Senior and Young category totalling to eight awards, will be presented on the occasion of Women's Day celebrated on 8th March this year. The awards will be sector agnostic.

Committee may change the number of Awards to be given or may defer if the entries are not found suitable.

III. Eligibility criteria:

National Women Scientist Award for Excellence in Translational Research

- Regular position in Indian institute of repute
- Patents/Technology transfer / licenced to Indian Industry
- Technology commercialized by the industry partner and earning revenue
- Socio-economic impact of the innovation

National Women Entrepreneur Award

- Founder Director/CEO of the Pvt Ltd./ public ltd company*
- Company in technology space
- Innovative product must be successfully commercialized
- Socio-economic impact of the Innovative product

*Definition of Women Entrepreneurs:

The Government of India has defined women entrepreneurs as "an enterprise owned and controlled by a woman having a minimum financial interest of at least 51% of the capital and giving at least 51% of the employment generated in the enterprise to women". Women enterprises can be classified as (i) owned by women, (ii) managed by women and (iii) employing women. The enterprise should be set up under the Companies Act.

In short, women entrepreneurs are those women who think of a business enterprise, initiate it, organise and combine factors of production, operate the enterprise and undertake risks and handle economic uncertainty involved in running it.

National Women Scientist Award for Excellence in translational Research may be applied in either Nomination / Self Nomination mode
